

The screenshot shows the Tokopedia website interface. At the top, there's a navigation bar with various icons and links. Below it, the main header includes the Tokopedia logo, search bar, and user account options. The breadcrumb trail reads: Home > Office & Stationery > Alat Tulis > Spidol Permanen > Spidol permanen/permanent mark... The product image shows a box and a pen labeled "SNOWMAN MARKER GIANT INSTANT DRY WATERPROOF Washable NO.G-12 10GZ ROUND TIP CAP SHOWS COLOR". To the right of the image, the product title is "Spidol permanen/permanent marker Snowman G-12 - Merah" with a rating of 5 (32 ratings) and a price of Rp6.000. A yellow warning box states: "Stok habis Wishlist barang ini untuk bisa dingatkan saat stok kembali tersedia atau Cari Barang Serupa." Below the price, there are color selection buttons: Hitam, Merah (selected), and Biru. Further down, details like "Kondisi: Baru", "Berat Satuan: 50 g", "Kategori: Spidol Permanen", and "Etlase: ATK" are listed. On the right side, there's a section for quantity adjustment (set to 0) and a note about stock status ("Habis"). A subtotal line is also visible. At the bottom right, there's a promotional banner for a 50% discount.
